

AREA OF USE

Our ECLIPSE luminaire is an indoor and outdoor wall light that combines modern design, energy-efficient technology, and long-term reliability. Its clean, circular shape lends an elegant appearance to any façade, while its uniform illumination provides a warm and atmospheric lighting effect.

MATERIAL

Housing of luminaire: powder painted steel sheet in black color.

INSTALLATION

The ECLIPSE luminaire can be mounted onto the wall.

OPTIONS

The luminaire is also available in other colors.
