AREA OF USE

PILARIS is a modern outdoor bollard light, an ideal choice for illuminating gardens, pathways, and terraces. Its durable aluminum housing provides excellent mechanical stability and corrosion resistance, while the IP54 rating ensures reliable operation against dust and splashing water. With its clean, contemporary design, it delivers uniform and pleasant light distribution, serving both functional and aesthetic purposes. A timeless solution for sophisticated outdoor environments.

PILARIS

MATERIAL

Luminaire body: powder-coated aluminum in black. The luminaire is also available in other colors.

Diffuser: UV-resistant opal PS sheet.
