AREA OF USE

VANDA SKOLA is a modern LED luminaire featuring an elegant aluminum housing and a specialized asymmetric optical system that ensures optimal light distribution on classroom boards. Its precise illumination enhances visibility and comfort for students. An energy-efficient, long-lasting solution, making it the perfect choice for educational institutions.

VANDA SKOLA

MATERIAL

Body: extruded aluminum profile, powder-coated in the desired color.

End cap: PS plastic.

Diffuser: metallic-finish PC diffuser, clear PMMA LED optics.

INSTALLATION

The luminaire can be mounted on the ceiling or suspended.
